

Our Wedding Videography Packages:

Silver Wedding Video Package - \$1,500.00

The Silver package offers 1 videographer for a 4 hour block, utilizing 2 cameras at the ceremony and 1 during the reception. Want coverage to begin before the ceremony to capture the time before you walk down the aisle? That's fine. You tell us when you would like us to start. The Keepsake Package includes:

- **Coverage** - 4 consecutive hours of coverage beginning at time of couple's choice. We will arrive 1-2 hours prior to chosen time to setup equipment at Ceremony location and prepare to shoot.
- **Camera Equipment** - 2 HD Cameras at ceremony, 1 HD camera at reception (Combination of DSLR and professional 3 chip HD cameras will be used based on best camera for the location and activity)
- **1 Professional Operator** – This level of services includes one professional staff videographer best suited to provide the particular services chosen by the customer.
- **Audio Equipment** - Wireless microphones on officiant and groom to capture the audio. If available, a feed from sound board at church and reception may also be recorded. Additional portable mics may also be strategically placed at church and reception venue in order to capture audio that may not be mic'd properly to be heard by camera mics (singers, speakers, etc)
- **Highlight reel-** Documentary edit of pre/post ceremony/Reception Important moments –Edits of reception introductions/entrances, first dances, cake cutting, toasts and speeches, Bouquet and Garter toss, last dance, and final exit. Cinematic Highlights Edit of the entire day - From getting ready to the final moments of reception, we edit an artistic highlights video that covers all the important moments but condenses it down into an long emotion packed story, with creative styles and music added to convey all the emotions and excitement of the entire wedding day. We pull the best portions of different dances during the party portion of the reception and edit them into a highlights video (Let's face it, no one needs to watch someone do the entire Electric slide – 30 seconds or so, and you get the picture)
- **Final Video Delivery** – We provide the final delivery of electronic copies via Google docs, Vimeo, YouTube, etc.

A \$750 payment reserves wedding date. The reservation fee is a non-refundable fee that is applied to the total cost of your video package, payable at time of booking in order to reserve your wedding date.

** Additional hours can be added at \$125 per hour, per videographer*
